Professional Summary

Automation Test Engineer with **4+ years of experience** in designing and developing **scalable UI & API automation frameworks**. Expertise in **Selenium, Rest Assured, Java**, and building **Hybrid & BDD frameworks**. Strong in **end-to-end automation (UI + API)**, Jenkins CI/CD integration, and Agile delivery.

Professional Experience

Associate Quality Analyst Engineer

Asentech LLC, Bengaluru | July 2023 – Present

Project: Viatris Connect

Technology Stack: Java, Selenium WebDriver, TestNG, Rest Assured, Maven, Postman, Newman, Jenkins, BrowserStack AI LCA, Litmus, Git, Agile, Android & iOS Testing

Software Test Engineer

Samartha info Solutions (OpenText Client), Bengaluru | April 2022 – July 2023

Project: NetIQ eDirectory & Identity Management (IDM)

Technology Stack: Java, Selenium WebDriver, TestNG, HP ALM Octane, Maven, Postman, Jenkins, Ansible, Linux, Git

Roles and Responsibilities

- Designed and developed a **Hybrid Automation Framework (UI + API + BDD)**.
- Built **API automation using Rest Assured** for backend validation.
- Developed **Selenium WebDriver automation (Java + TestNG)**.
- Integrated automation with **Jenkins CI/CD** for continuous execution.
- Used **Postman** for API validation and debugging and collection execution.
- Performed **cross-browser & mobile testing** using BrowserStack.
- Implemented **migration of automation scripts** from **Selenium-Java** to **BrowserStack LCA AI Automation**, improving automation efficiency and maintainability.
- Performed testing in **Linux environments**.
- Developed and executed comprehensive **test strategies** and **test plans**, ensuring full traceability with business and customer requirements.
- Managed complete **defect lifecycle**, including **defect identification, prioritization** and collaboration with development teams for timely resolution.
- Collaborated with cross-functional teams including **Developers, QA engineers**, and **Product Owners** to define **automation strategies, identify test scenarios**, and **prioritize testing efforts**

Education & Certifications

- **B.E (Engineering)** – GM Institute of Technology, Karnataka
- **PUC (PCM + Computer Science)** – Sri Vaishnavi Chethana PU College, Karnataka
- **AWS Certified Solutions Architect – Associate** – Amazon Web Services
- **SDET Certification** – QSpiders, Bengaluru
